MINISTRIES, INC.

May the presence of Christmas be found in the biggest present of all, our Lord and Savior Jesus Christ!

Dear Family and Friends,

It seems hard to believe another year has passed by. As we decorated our tree this year, our family reminisced about Christmases in the past and those to come. The underlying theme related to how we will remain a family, but the excitement to follow where God leads. This letter will relay some of our highlights and passions for the future. Pull up a chair with your favorite holiday treat and enjoy and pray with us.

On the family side of our activities: Nick is looking forward to college next year. Rochester Institute of Technology is his first choice, but he is also content to attend a local university. Nick loves cinema. He will pursue a degree in film directing and screen writing. He also enjoys website design and Seek the Son gives him hearty thanks for

all his hours working on the website. As our oldest Nick represents a joy from the Lord, and as he journeys to another season of his life we covet your prayers for him.

Chris loves aviation. He has all ready flown a small engine plane and well, all of you who know our thrill seeker may imagine the adventure his passengers experienced. Chris's smile lights up a room and as he enters his years of driving cars and planes, we ask for God's guidance and wisdom. We thank God for Chris's willingness to serve the ministry in so many ways!

Amanda entered another season of her 13 years. She started attending the Minnesota Academy for the blind. She loves it. Her bright and gentle spirit touches all who come in contact with her. We thank God for protecting her and for His glory to shine in her. She loves to serve others and this has blessed the ministry in numerous ways. Seek the Son thanks her for her diligence and yes! Amanda you still have many more years at home!

On the ministry side of our lives; we all speculate about the future retreat center God has placed on our hearts. This burden seems to be even on the kids' hearts. As we were hanging decorations, they were excitedly discussing the possibility of decorating the retreat next year. We thank God for their reminder. God asks us to have faith like a child. We ask for your continued prayers on Seek the Son's goal of obtaining a year round retreat center. We need to obtain funds for this endeavor, but God is all knowing and we look towards Him.

As we move forward and search for property; we also continue to minister to the disabled. We look forward in the coming year to gathering information from Theresa's projects through Bethel Seminary. Currently, the project focuses on enabling the disabled in the Body of Christ. This practical project will provide an opportunity for Seek the Son to learn of obstacles as well as equip the disabled with tools to overcome these obstacles.

We thank God for the incredible journey He is leading our family on. We praise him and want His love to be known by all. Ken and Theresa feel strongly that whether through a worship service, counseling session, hospital visit or sharing a cup of coffee with a friend, God will guide us and we want to acknowledge Him as Lord of our lives.

Let this poem be a reminder and a present to you of God's presence!

Muffled Triumph

He is the Way. Follow Him through the Land of Unlikeness; you will see rare beasts, and have unique adventures.

He is the Truth. Seek Him in the Kingdom of Anxiety; You will come to a great city that has expected your return for years.

He is the Life. Love Him in the World of the Flesh; And at your marriage all of its occasions shall dance for joy.
